LONG TERM LAPTOP LOAN SCHEME

Dear Parent/Caregiver,

You have requested the long-term loan of a school laptop for your son/daughter. Thank you for completing the required documentation.

The long term laptop loan has been put in place to support families who are unable to provide a laptop for their son/daughter for school use due to financial hardship.

In order to cover the cost of any unforeseen damage we require a deposit of \$60 to be paid before we can finalise the loan.

As stated in the loan charter agreement the laptop remains the property of the school and any costs associated with repair or replacement due to negligent acts will be incurred by you. The deposit will be refunded at the end of the loan period if returned in good condition and working order. If you are experiencing financial hardship the deposit can be waived, please contact school administration to discuss.
